JACOB EDDINGS

UX/UI DESIGNER

I am a UX/UI Designer with experience in Multimedia Production. Motivated, productive, and timely. Able to quickly learn and adapt in new environments.

EXPERIENCE

UX/UI Designer and Front End Web Developer
CarSolve | January 2023 - Present

- Conceptualized and built company website from scratch using WordPress and Elementor.
- Created wireframes, low-fidelity, and high-fidelity prototypes using Figma.
- Utilized UX design best practices to create a user-centered and user-friendly online web experience.

UX/UI Designer and Researcher - Portfolio Project
Pawdoption | July 2023 - August 2023

- Designed a pet adoption flow for an animal shelter following the Design Thinking Framework.
- Created wireframes, low-fi/hi-fi prototypes, and mockups for both mobile and desktop screens using Adobe Xd.
- Conducted usability studies, created user journey maps and personas, and iterated on designs using user feedback.

UX/UI Designer and Researcher - Portfolio Project
BoKays | February 2023 - June 2023

- Designed a bouquet preview app for a florist following the Design Thinking Framework.
- Brought the product from idea to reality by building wireframes, low-fi and hi-fi prototypes, and mockups.
- Created personas, user journey maps, conducted user research, and iterated on my designs using data from user testing.
